# Emma's Daily Routine

## 1 Read about Emma's daily routine.

Hi! My name is Emma. I'm ten years old and I'm English. I live with my family in Brighton in the south of England.

My day usually starts quite early. I always get up at 7.30 on weekdays, but at the weekends I sleep an hour and a half longer. When I get up, I go to the bathroom first. I wash my face to wake me up, brush my teeth and then I have a shower. After that I comb my hair and get dressed. I usually wear casual clothes, mainly jeans, shorts, T-shirts and trainers.

I always have breakfast with my mum and my little brother, Tommy. My dad never has breakfast with us

because he starts work early on weekdays. I usually have a bowl of cornflakes with hot milk and toast with marmalade. Before I go to school, I have to walk our dog, Leo.

I usually walk to school because I don't live very far. Classes start at 8.30. I like Maths best but I'm also good at Science and English. I have two breaks, at 11 and at 1 o'clock. I eat a sandwich and drink orange juice. I also play with my classmates in the playground. School finishes at 3.30 and my dad picks me up and we come back home by car. Then we have lunch together.

After lunch I play with my brother for a while and then I do my homework and study. Twice a week I have a basketball practice. I love doing sports.

Before dinner I sometimes meet my friends or watch a TV quiz. I seldom play computer game, I simply find them boring. We have dinner at 7.30 and I often set the table. After dinner I read a book or surf the Internet for a while.

At 9.30 I go to the bathroom to have a shower, brush my teeth and put on my nightdress. Before I go to sleep I listen to music on my MP3 player because it makes me feel relaxed.

**Read about Martin's day yesterday, the day of his vacation.**

Martin had a terrible day yesterday. It was the day of his vacation to Spain but it was a nightmare. He left the house at 10 o'clock in the morning and caught a taxi to the airport.

Martin went to the check-in with his luggage. When the man who worked for the airline asked for his passport, Martin became very upset. Where was his passport? Martin realized he didn't have his passport with him. What a disaster!

He jumped back into the taxi and told the driver to take him home. The driver drove quickly and Martin arrived back at his house in twenty minutes.

He ran into the house and went into his bedroom. He found his passport on the bedside table and left the house again. But the taxi wasn't there! Where was the taxi!

Martin jumped up and down angrily. "I don't believe it. The taxi left!" he shouted. He ran down the street and looked for another taxi.

After a few minutes, Martin found another taxi and told the driver to take him to the airport as quickly as possible. The traffic on the roads was very bad and, unfortunately, Martin's taxi arrived at the airport late. His plane left for Spain at 11.30 and Martin missed it. He was

very sad and went to speak to the airline. They promised to get him a seat on an evening flight and Martin went home on another taxi to wait.
